Welcome to  
**KATASHI INTERNATIONAL**

We believe that "Innovation is the key to technical & economic development."

This has helped us to develop katashi, offering supreme quality for unmatched pricing. We are professional techno-commercial managers aiming to empower industries by reducing cost.

With over 27 years of industrial application experience, we have successfully introduced a wide range of products which are best suitable for various applications at the most affordable prices.

Our past experience has taught us to keep innovating while making our products cost-effective. We keep our products strong and tough, more like ourselves!

**IW-381S**
